ONE PIECE

BY EIICHIRO ODA

When Monkey D. Luffy accidentally ate the cursed Gum-Gum Fruit, he gained the power to stretch like rubber...at the cost of *never being able to swim again!* Despite this, he's vowed to someday become King of the Pirates and find the legendary treasure known as "One Piece." With his large crew of powerful and unique characters and his advanced pirate ship, the *Thousand Sunny*, Luffy's out to become the greatest pirate that's ever lived!

PREVIOUSLY IN *ONE PIECE*:

The Straw Hat pirates have arrived in the dangerous waters of the New World. Luffy and his crew defeat the Doflamingo family and then head for the island of Zou. But when they reach their destination, they find that Zou is a giant elephant. After exploring the elephant, the Straw Hats learn of the destruction caused by Kaido's Animal Kingdom pirates to the local inhabitants, the Minks. The Straw Hats soon form an alliance with the samurai of Wano and the Minks, with taking down Kaido as the ultimate goal. Luffy and some of his crewmates head off on a quest to bring back Sanji but soon find themselves in the dangerous waters of Big Mom's domain. They finally convince him to return to the crew, but first they'll have to destroy Big Mom's tea party. The first step could involve an alliance with the ruthless Capone "Gang" Bege.

MY HERO ACADEMIA

BY KOHEI HORIKOSHI

In a world full of superheroes and villains, all sporting powerful abilities known as Quirks, Izuku Midoriya is an anomaly. Born Quirkless, Izuku still harbors dreams of one day becoming a hero, despite the steep odds against him, and is determined to make it into the prestigious U.A. High School to partake in the Hero Program. Then one day, a fateful encounter with the hero All Might gives him a chance to change his destiny...

PREVIOUSLY IN *MY HERO ACADEMIA*:

After demonstrating the practical benefits of the Work Study program, U.A.'s top student Mirio has taken an interest in Midoriya. And good thing too, since Midoriya wants to join Mirio's mentor and All Might's former sidekick, Sir Night Eye, for his Work Study. But even Mirio's good word isn't enough to get Sir Night Eye to accept Midoriya. For that, Midoriya has to make the somber-looking Sir Night Eye smile...which he somehow manages to accomplish unintentionally! Now part of Night Eye's hero group, Midoriya sets out with the others to scout the perimeter around a yakuza stronghold. And as luck would have it, Midoriya accidentally runs into the young yakuza boss Overhaul!

WHAT IF ONE DAY EVERY HUMAN ON EARTH TURNED TO STONE...?

DR. STONE

STORY BY RIICHIRO INAGAKI, ART BY BOICHI

TAIJU

Strong and honest, Taiju is finally ready to confess his love to his crush when the world suddenly turns to stone. His undying love for Yuzuriha helps him overcome his petrification many thousands of years later.

SENKU

Logical and analytical, Senku is Taiju's friend and the first to break free from this mysterious petrification. His sharp scientific mind helps him survive for half a year on his own until Taiju joins him.

Taiju is a simple guy. Physically, he's built like a tank, but inside he's honest and kindhearted. One day, when he's finally mustered enough courage to ask Yuzuriha out on a date, everyone suddenly turns to stone. Many millennia later, Taiju finally finds himself free but surrounded by statues. The situation looks hopeless—until he runs into his friend Senku!

THE PROMISED NEVERLAND

STORY BY KAIU SHIRAI, ART BY POSUKA DEMIZU

Life at Grace Field House has been good for Emma and her fellow orphans. While the daily studying and exams they have to take are tough, their loving caretaker provides them with delicious foods and plenty of playtime. But perhaps not everything is as it seems...

PREVIOUSLY IN *THE PROMISED NEVERLAND*:

Emma, Norman and Ray are the brightest kids at the Grace Field House orphanage. And under the care of the woman they refer to as "Mom," all the kids have enjoyed a comfortable life. One day, though, Emma and Norman uncover the dark truth of the outside world they are forbidden from seeing. The children of the orphanage are being raised as food for monsters, and their loving caretaker is behind it all! Determined to escape, Emma and the others begin their final preparations. With Ray distracting Mom, Norman and Emma head off to inspect the area around the orphanage. But then Mom shows up. She breaks Emma's leg and announces that Norman will be shipped out the next day! HUNGRY MARIE

BY RYUHEI TAMURA

Taiga Bijogi has been in love with Anna Sagimiya ever since they first met. But he is the grandson of a leader of a Taoist temple, and she is the daughter of a priest, so the two of them can never be together. But that won't stop Taiga from confessing his love—that is, until he discovers the dark secret her family has been keeping for 200 years...

PREVIOUSLY IN *HUNGRY MARIE*:

As children, Taiga Bijogi and his friend Mamoru break into the church next door in a test of courage, only to find that a new girl has just moved in—Anna Sagimiya. Years later, Taiga still can't get this girl out of his head! Unfortunately, his family and hers are mortal enemies, and they can never be together. Ignoring the advice of his best friend, Taiga is determined to confess his love to Anna, but then he stumbles upon her practicing a summoning ritual! After being discovered, Anna kidnaps Taiga and, to his confused enjoyment, forces him to be a sacrifice to bring back the soul of Marie Antoinette's daughter, Marie-Thérèse Charlotte. But things turn even stranger when Taiga is hit by lightning and is transformed into a beautiful girl! Taiga saves Anna from his classmates and turns back into himself...but is it really him?!

ARE YOU LISTENING?

SO THIS IS WHAT IT LOOKS LIKE INSIDE.

WOW! THIS IS SAGIMIYA'S HOME... IT'S MY FIRST TIME COMING IN.

MARIE-THÉRÈSE CHARLOTTE DE FRANCE, DAUGHTER OF MARIE ANTOINETTE.

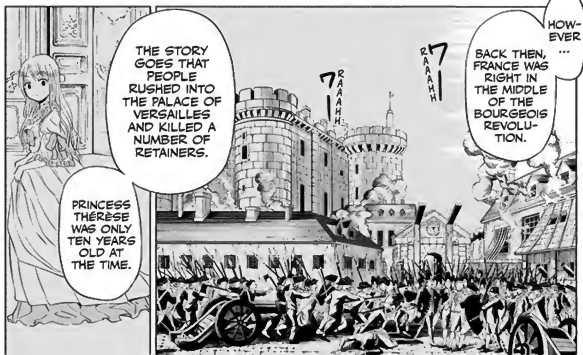

IN REALITY, IT LOOKS LIKE SHE NEVER SAID THAT THOUGH.

"If there's no bread, then let them eat cake!"

Y-YEAH... MARIE ANTOINETTE. YOU MEAN THAT PERSON...

ALSO KNOWN AS MADAME ROYALE. SHE WAS THE LAST PRINCESS OF THE FRENCH MONARCHY.

MY ANCESTORS SERVED THEM BACK IN THOSE DAYS.

THE STORY GOES THAT PEOPLE RUSHED INTO THE PALACE OF VERSAILLES AND KILLED A NUMBER OF RETAINERS.

PRINCESS THÉRÈSE WAS ONLY TEN YEARS OLD AT THE TIME.

BACK THEN, FRANCE WAS RIGHT IN THE MIDDLE OF THE BOURGEOIS REVOLUTION.

HOWEVER ...

FOOD WARS!

STORY BY YUTO TSUKUDA, ART BY SHUN SAEKI, CONTRIBUTOR YUKI MORISAKI

Soma Yukihira's old man runs a small family restaurant in the less savory end of town. Aiming to one day surpass his father's culinary prowess, Soma hones his skills day in and day out until one day, out of the blue, his father decides to enroll Soma in a classy culinary school! Can Soma really cut it in a place that prides itself on a 10 percent graduation rate? And can he convince the beautiful, domineering heiress of the school that he belongs there at all?!

PREVIOUSLY IN *FOOD WARS!*:

New dean Azami Nakiri unleashes sweeping changes throughout the institute, including to the advancement exam that's taking place in Hokkaido. In stage three of the exam, only Soma, Erina, Megumi and Takumi survive! Just as all seems lost, Soma's dad, Joichiro, appears on the scene, suggesting a team shokugeki with Azami and his administration and offering himself as the wager. When both sides rendezvous to set the rules, Azami drops a bomb—Erina must side with *him* because of her position at Totsuki! But Erina stands up to her father, relinquishing her seat on the council in support of her friends. As their champion, Erina decides she will take the first seat on the council as her due, but will Soma actually let that happen?

Black Clover

BLACK CLOVER

BY YÜKI TABATA

Asta is a young boy who dreams of becoming the greatest mage in the kingdom. Only one problem—he can't use any magic! Luckily for Asta, he receives the incredibly rare five-leaf clover grimoire that gives him the power of anti-magic! Can someone who can't use magic really become the Wizard King?! One thing's for sure—Asta will never give up!

PREVIOUSLY IN *BLACK CLOVER*:

After finally receiving their grimoires, Asta and his rival Yuno survive the selection process and gain entry into the exclusive Magic Knights. But even with his obvious strength, all of the Magic Knight squads pass on choosing Asta, except for one! Asta is chosen to be a member of the rowdy Black Bulls, described as the absolute worst Magic Knight squad around! During a special mission in an underwater temple, the Black Bulls battle it out with members of the Eye of the Midnight Sun. Asta is victorious, although he suffers some serious injuries to his arms. Noelle and some allies drag Asta to the Forest of Witches in search of a cure. And when the forest comes under attack, the Witch Queen agrees to heal Asta's arms! Thanks to some teamwork, Asta and his allies are able to defeat the invaders. But then the Witch Queen takes control of Asta and orders him to attack his friends. Pushed to the brink, Vanessa reveals a powerful new magic!

ROCKIN' DOCTOR!

Welcome to the Nihongo Lesson feature. We strive to give you useful manga-based Japanese language tips and maybe even a glimpse into the translation process. This week's lesson will focus on some terms from the new JUMP START *Dr. Stone*! If you're enjoying the new JUMP START series, make sure to fill out the survey and make your voice heard!

ISHI (いし)

ISHI means "stone." *Dr. Stone* seems like a pretty typical story with some quirky high school students until all the people on Earth are suddenly turned to ISHI! There've been a lot of apocalypse stories done before, but this one is unique. What has happened? And can Taiju and Senku survive in this crazy new world?

SEKIZOU (せきぞう)

SEKIZOU means "stone statue." The SEKI part is the same kanji character as ISHI and is used in terms having to do with stones. For example, SEKIKA means "petrification." One of the cutest moments in chapter 1 of *Dr. Stone* was when both Taiju and Yuzuriha try to take bird statues to the vet. These two will make a cute couple one day. Like in 3,000 years...

KAGAKU (かがく)

KAGAKU means "science" and is one of the main themes of *Dr. Stone*. We've had some pretty unique ideas in this round of JUMP STARTS. One series is about studying, another is about politics and *Dr. Stone* is about KAGAKU. And we have a golf manga starting next week! It's so exciting when manga creators tackle themes that are rarely done!
